

It is very important to me and my family that K- love 105.3 is left on the air. This is the only radio station that we listen to and it is very positive and encouraging to myself and my family. Many people in my communtiy listen to this station and appreciate all that k-love does for the listeners. It serves the whole family and I never have to worry about bad language or that my children will here anything that is in anyway a bad influence to them. I greatly appreciate that it is a Christian station and up holds Christian values which is needed on all radio stations and especially TV. Thank you for your time.
